

Powerful Bio-GAGUT Secret Passage Message

by Dr. Candace Shashikarshe

Through this bio-GAGUT meditation, “bio=life or living connector”- GAGUT= God Almighty’s Grand Unified Transformer [Theorem] the Secret Passage and the Secret Message were birth as a twin. The Living Energy within Bio- and the unification Energy Force within GAGUT, reminds us that Words are extremely very Powerful and Potent.

1. **What Is Soundless, Toughless, Formless, Imperishable,**
2. **Likewise tasteless, constant, odourless,**
3. **Without beginning, without end, higher than the great, stable—**
4. **By discerning that, one is liberated from the mouth of death.**
5. **Knowledge which comes from such an experience is called ‘absolute knowledge’-- Buddhists.**

Out of concern for the condition of humanity, and the radioactive virus called, “Corona Virus-19” nicknamed “COVID-19”, I had been including in my mediation sessions; on and off since the inception of COVID-19, about how to better help humanity protect themselves; especially the children.

Time and time again, I continued to ponder over and over again as to what formula(s) can be utilized to help more people protect themselves, their families, and their friends.

Well, on the early morning of 19 December 2020, I was quite enough to hear the Divine/Tao when it revealed unto me what to do and how to share this solution with humanity.

The Spirit said that many people have become paralyzed by or with fear; and many have become accustomed or comfortable living in fear; many people have contracted emotional issues to the point of death; many have shifted into the survival mode to maintain; and then there are others who are capitalizing on the various conditions that have been brought about by COVID-19. Of course, there are some that have taken to the Spiritual world to get help and directions for self, family, and others as well.

Doing this morning, Spirit took me back to Exodus 12th Chapter; especially Verses 5-12, when the city was about to be plagued with a catastrophic incident. The Spirit showed me what to write.

The Spirit; once again, reminded me 91st Psalms, which expresses how the Divine/Tao is a source for Permanent Refuge and a Fortress where one is well-Protected. This chapter of Psalms was originally brought to my attention by the Spirit back in April 2020. At that time, I was pondering why people was running from God and hiding, and putting on chemical filled masks; when there is no hiding place.

Even now, with the unknowns, and uncertainties of the vaccine that’s being injected into the bodies of many, there is no guarantees, just possibilities. They do not know or they do not mention what side affects will stem from this new human trial & error COVID-19 Vaccine. Even with two doses of COVID-19 Vaccine, they still want people to wear a mask.

I knew that bio- GAGUT= God Almighty’s Grand Unified Transformer [Theorem] was the unification of matter, energy and God enhanced with bio-. The bio- added was like bringing the Divine alive with an injection of real life matter and energy with force behind the ability to make things instantly happen. Since the Divine is real & alive, the bio-unification makes this even that much truer as the Divine Powerful Healing Hand of Protection & Healing surrounds us.

This Protection Formula is not a quick fix, nor is it an instantaneous microwaveable dish. It is a Protection Formula that required having an open heart, a willingness to be protected, and desire to let go of those “Stinking & Thinking” thoughts that’s holding you back.

Remember, “In this Spiritual World there are not time divisions such as the past, present, and future; for they have contracted themselves into a single moment of the present where life quivers/vibrates in its true sense... The past and the future are both rolled up in this present moment of illumination, and this present moment is not something standing still with all its contents, for it ceaselessly moves on and on, and on...” D.T. Suzuki
